WOW..... I mean..... WOW. car accidents happen, people do blockade roads, people car jack, people drag others out of cars and beat them to death. No need to organize a thing.... Adapt and react. Not complicated. Anyone who listens to this alaf44 is a moron.

▼ If you follow [the video](#) exactly it should work. Make sure you follow the steps as you create your account, not after.

I would recommend going to the element site and downloading the application.
